INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In connection with this matter, the Applicant hereby attaches one (1) United States Patent Office Form PTO-1449 and copies of the information listed in the enclosed PTO-1449 Form, unless otherwise indicated on such Form.

English language abstracts or translations, of all or part of listed relevant foreign language information, is submitted herewith.

The "Insurance Square Bang!" article is an explanation of a service to select and present the most suitable item for a user.

The "Derivatives Keywords 280" article providing an explanation of "derivatives guarantee services".

The "E-retail-Innovation to Change Distribution" article describing that auction sites serve the function of a guarantee against transaction trouble, that such auction sites enhance credit guarantee function between transactors as well as broker the transaction of B to C or C to C, which leads to activate sales and purchases of expensive items, and that it would be possible that auction sites buy goods from some consumers and sell them to other consumers, which leads to further activate sales and purchases.
